

B930 Series

OKI[®]
PRINTING SOLUTIONS

**Unsurpassed performance and
reliability for the best value**

**B930n
B930dn**

The B930 Series: for your large workgroups and departments that demand clear, sharp documents, fewer user interventions, and a great price.

Highlights:

- Departmental printer, priced for budget-minded environments
- Available network-ready (B930n) and network-ready with duplex (B930dn)
- 50 ppm print speed for increased productivity¹
- First page out as fast as 7 seconds¹
- 1200 x 1200 dpi resolution
- Superior finishing options, including stacker and stapler/hole punch²
- Handles a wide variety of paper media, including tabloid-size (11" x 17") sheets
- 10/100 Base-TX Ethernet connectivity
- Optional 1 GB 1000 Base-TX network card
- Customizable configurations to meet all demands, with 40GB hard-drive, memory expansion and compact flash options
- Standard 1,100-sheet capacity is expandable to 5,100 sheets, with options
- 1-Year On-Site warranty³

¹ Published performance results based on laboratory testing. Individual results may vary.

² Require purchase of additional options (see back page for details).

³ Available in the U.S. and Canada only.

⁴ Standard on B930dn; optional on B930n.

Expect enhanced workflow and lower costs from performance features that include media flexibility, expandable functionality, and high-volume endurance.

The B930 Series from OKI Printing Solutions puts it all together for demanding users. It's the durable, powerful network printer for the most highly productive business environments. With 50 ppm print speed,¹ advanced performance features and outstanding finishing options, the B930 Series is the perfect solution.

Exceptional print speed and output quality – Correspondence, proposals, spreadsheets and complex graphics print quickly and smoothly with crisp, clear 1200 x 1200 dpi resolution on a wide variety of business media including tabloid (11" x 17").

Fully loaded with paper-handling options, the B930 Series has a 5,100-sheet paper capacity—and gives you flexibility to construct practically any combination of stock that you need in a document: letterhead, spreadsheet, envelopes, card inserts...everything it takes to get the job done.

What's more, its convenient finishing options—2- and 3-hole punch, stacker and stapler—make it simple to complete your jobs in-house, without having to resort to outside vendors.

Increase efficiencies, with high-speed network connectivity and rugged reliability – Network-ready out of the box, both B930 Series printers have 10/100 Base-TX Ethernet connectivity, providing top data transfer rates. As for endurance, B930 Series printers boast a monthly duty cycle of 300,000 pages.

The B930 printer is also engineered with fully integrated and seamless functionality that can increase your group's productivity. For example, the duplexer (standard on the B930dn and an option on the B930n) enables you to print both sides of a sheet without compromising speed, saving not only time but cost and natural resources. Finishing options replace "by hand" operations and further reduce the time it takes to deliver finished documents.²

Even for smaller workgroups, the savings add up quickly—and that translates directly to your bottom line.

Backed by industry-leading service and support – B930 Series printers come with a 1-Year On-Site warranty that can be increased to 3 years with options. And for live technical support 24/7/365, you can call, toll free, 800.OKI.DATA (800.654.3282) and speak to an expert located in North America.³

Quality, performance, efficiency and support: proof that the B930 Series from OKI Printing Solutions is the answer to your high-productivity network printing needs.

Optional 2,000-sheet
Letter/A4 Tandem Tray

B930 Series

Specifications

Performance

- **Print Speed:** Up to 50 pages per minute¹
- **Time to First Page:** As fast as 7 seconds¹
- **Print Resolution:** 1200 x 1200 dpi
- **CPU:** 600 MHz
- **Duty Cycle:** 300,000 pages per month

Compatibility

- **Operating Systems:** Windows® Vista® Home & Premium/ Vista Server, XP Home & Professional/XP Server, Server 2003, ME, 2000, 98, NT® 4.0; Mac® OS 10.2 and higher
- **Emulations:** PCL® 5e, PCL® 6; PostScript® 3™; Epson® FX; PDF v1.3

Productivity Solutions

- **Web-based Printer Management:** PrintSuperVision from OKI Printing Solutions

Cost Containment Solutions

- **Job Accounting Software:** Track printed pages by individual or department

Memory

- **Standard RAM Memory:** 256 MB
- **Maximum RAM Memory:** 768 MB²

Connectivity

- **Standard:** 10/100 Base-TX internal Ethernet print server; USB 2.0; and Parallel
- **Optional:** 1 GB 1000 Base-TX network card
- **Network Protocols:** IP (TCP/UDP), Ethertalk/Bonjour, DHCP, SNMP v2, WINS, POP3, Port 9100, LPR/lpd

Paper Handling

- **Standard Paper Input:** 1,100 sheets (2 x 500-sheet Letter/Tabloid trays and 100-sheet multipurpose feeder)
- **Maximum Paper Capacity:** 5,100 sheets (with choice of optional 2,000-sheet 3rd/4th tray modules and 2,000-sheet High-Capacity feeder)
- **Duplex (2-sided) Printing:** Standard on B930dn; optional on B930n
- **Paper Types:** Letter, Legal, A3/Tabloid, Executive, Folio, Statement, Index cards, C5, DL and Custom Sizes; C5/DL, Com 10 and Monarch envelopes
- **Paper Size:** 5.8" x 8.3" min. to 11" x 17" max. (High-Capacity feeders will accept 3" x 5")
- **Standard Paper Output:** 500 sheets face-down
- **Alternate Paper Output:** 3,500 sheets face up
- **Paper Weight:** 16 lb. – 53 lb. (60 – 199 gsm)

Resident Fonts

- **Scalable:** 112 PCL, 136 PostScript
- **Bitmapped:** 47 PCL

Environmental

- **Size (WxDxH):** 20.0" x 25.0" x 21.0" (50.8 cm x 63.5 cm x 53.3 cm)
- **Weight:** 90.0 lb. (32.1 kg)

Warranty

- **Printer:** 1-Year On-Site warranty³

For more information on Digital Monochrome Printers and supplies from OKI Printing Solutions, including OKIcare® Extended Service Programs: **1.800.OKI.DATA** (800.654.3282).³

¹ Published performance results based on laboratory testing. Individual results may vary.

² Additional memory sold separately.

³ Available in the U.S. and Canada only.

⁴ Has earned the ENERGY Star.

⁵ Declared yield in accordance with ISO/IEC 19752.

⁶ Estimated life, continuous print (may vary depending upon the number of pages per job).

⁷ Cannot be used with optional 1,000-sheet Tabloid/A3 tray.

⁸ Cannot be used with optional 2,000-sheet Letter/A4 tray.

⁹ Requires either optional 2,000-sheet Letter/A4 tray or 2,000-sheet Tabloid/A3 tray.

¹⁰ Requires duplex unit when used with B930n.

B930dn shown with optional 1,000-sheet Tabloid/A3 tray, 2,000-sheet High-Capacity Feeder, and Stacker/Finisher
